More information:

Dear all,

As you know, we have been planning the days we will have together in Rome. Many surprises are prepared for those beautiful days.

Probably those that come from different countries need to prepare their own program (for example, if they come 2 or 3 days before or want to remain after). On this issue, we remind you what we have already said: the international organization and EYM Italy will only be in charge of your stay between August 4 (PM) to 10 (AM). We can eventually send you a list of places to stay in Rome that charge lower fees than the hotels.

We have considered time to visit Rome. We will go to the Basilica of St Paul Outside the Walls and St Peter's in the Vatican. But if you want to visit the Vatican museum and/or the Sistine Chapel, it is not considered in our program and you will need more time for that. The same thing for the Coliseum: we will see it, but will not enter - you would need to organize that by yourself, in the days previous or after the Gathering. Anyhow, once we have the exact timetable, we make you know, but it could be happen, if you take in consideration the

longs distances in the city, you will not have enough time to visit the museums. But, as you know, Rome is an open museum: wherever you go you can see the history!

We hope this information is helpful for you.
